## **Information Sheet for Children**

**Title of Project:** Understanding the impact of stroke on families

### **What is this project about?**

- Your mum or dad has had a stroke.
- We would like to talk to you about the story of your mum or dad's stroke.
- Your story might help other families when a mum or dad has a stroke.

### **What will I need to do?**

- Talk to us about you and your family
- You can choose if you want to talk to us or not.
- Because you are under 18 years, your mum or dad will also need to agree for you to talk to us.

- You can choose if you want your mum or dad with you when you are talking to us.
- Some children want their mum and dad with them, but some do not.

### **What if I get upset?**

- You may feel worried or upset when you talk to us. That is okay.
- You can stop talking to us if you feel upset.

### **Why are we recording?**

- We would like to record us talking **to help us remember what you say.**
- No-one else will listen to what you talk about.
- We will keep all your information safe.

### **What if I decide I do not want to do this?**

- You do not have to do this research. It is your choice.
- You can stop at anytime.
